

***“One Vision, One Voice: Health Access for All”***

UPHAC 6<sup>th</sup> Annual Fall Conference

October 5, 2007 – 9 a.m. to 4 p.m.

Upfront & Company (102 E Main St, Marquette)

Headlines and broadcast clips tell the health care stories of uninsured citizens nationally. This conference will relate what Access to Health Care Coalitions have been doing in the Upper Peninsula and elsewhere in Michigan to make health care accessible for all Michigan residents. Conferees will build on that experience to shape their vision for the future of healthy U.P. communities. Sponsored by the Upper Peninsula Health Access Coalition with Medical Care Access Coalition of Marquette.

***“One Vision, One Voice: Health Access for All”*** Oct. 5 at Upfront & Company in Marquette is a day-long networking, educational and collaborative opportunity for regional Access Coalitions and their health care partners. Sessions focus on how local communities around the region and the state are meeting challenges in access to health care to create better health outcomes for families, friends and neighbors and build healthy communities.

Particularly applicable for community leaders interested in improving the health of U.P. residents – physicians, pharmacists, hospitals representatives, access coalition boards and staff, city and county officials, health department representatives, business persons.
